Student_____

Photo Alteration

Grading Methodology

Each category will be assigned a number. In order to weight ideas differently, that number will shown as a fraction, for example: 9/10 would be nine points earned out of a total of ten possible.

Assignment Parameters
-Pick a Show Photo that needs help.
-Correct lighting and color.
-Add a lighting effect like a gobo.
-Add two or more characters

Grade	Category	Note
/2	**Fulfilled assignment parameters**	
/1	**Success of color**	
/2	**Sophistication of merging disparate elements**	
/1	**Sophistication of Lighting correction**	
/1	**Lighting effect**
