

## Television Workshop-Art Directors

---

### Project Goal

- ❖ To work as Art Directors on the TV Workshop.
- ❖ To collaborate with guest artists, directors, writers, production designers and crew to design and dress a pre-established wall configuration.
- ❖ To quickly develop ideas and implement environments for new TV scripts.

### Project Teams

- ❖ Art Dept. Coordinator, LA guests, John Shaffner and Joe Stewart
- ❖ Other than that, teams will be determined after scripts are in place

### Project Guidelines

#### For this project you will:

- ❖ Design ground plan, props and dressing for 2009 Television Workshop segments.
- ❖ You will be working in the Wells Studio.
- ❖ You will need to consider the following:
  - Different audience (camera)
  - Different concept of color and pattern
  - Designing for three camera
  - Designing flexibly

### Project Products

#### Due for this project will be:

- ❖ Ground plans of space
- ❖ Rough sketches of the space for your segment
- ❖ Journal of your experience during the TV Workshop.
- ❖ Photos of all parts of the process.
