Grading Methodology

Each category will be assigned a number. In order to weight ideas differently, that number will shown as a fraction, for example: 9/10 would be nine points earned out of a total of ten possible. This grade will comprise 35% of your semester grade and will have a total of 35 points.

Grade	Category	Note
/5	Idea	
/5	Realization of Idea (did you follow through well on your idea?)	
/5	Success of 4th Dimension (moment to moment)	
/3	Research	
/3	Director's Letter	
/3	Breakdown	
/3	Use of Space	
/3	Model descriptiveness/exploration	
/2	Model craft	
/3	Progress toward individual student goals	
/35 or /100	Final Grade
