# MD TASNIM BIN AKBAR

## About Myself

I am currently a student of computer science at Carnegie Mellon University- located in Qatar.

## EDUCATION

### **BSc in Computer Science**

Carnegie Mellon University Qatar  
2021 – 20XX  
CGPA: X.XX

### **Grade 12- Test exam**

Bangladesh MHM School & College  
2020 - 2021  
GPA: 5.00

### **Grade 11- Pre-Test exam**

Bangladesh MHM School & College  
2019 - 2020  
GPA: 5.00

## Programming skills :

Python

C

HTML

## Achieved skills:

Problem Solving

Critical Thinking

Teamwork

## EXTRA CURRICULAR ACTIVITY

### **Member of chess club**

Carnegie Mellon University  
Duration- (2021-20XX)

### **College House prefect**

Bangladesh MHM School & College  
Duration- (2019-2020)

### **Science fair-2019**

Bangladesh MHM School & College  
Project: Hydraulic arm- 1<sup>st</sup> position

### **Science fair-2018**

Bangladesh MHM School & College  
Project: Li-Fi Communication-2<sup>nd</sup> position

## Projects

- **Encoder & Decoder:** The encoder program takes an integer number and encodes that number based on its number of digits and intrinsic value. The decoder program just does the opposite of the encoder program.
- **Colour Harmony:** The colour harmony program takes the integer RGB values of two colours and finds the integer RGB values of the third colour which is in harmony with the provided two colours.

## Courses

- 15-112: Fundamentals of Programming Language.
- 21-120: Differential and Integral Calculus.
- 21-127: Concepts of Mathematics.
- 07-129: Freshmen Immigration Course.
- 76-100: Reading and Writing in an Academic Context.
