\$500 The True Gentleman

How have you exemplified behavior adhering to the guidelines set down by The True Gentleman?

“

The True Gentleman is the man whose conduct proceeds from good will and an acute sense of propriety, and whose self-control is equal to all emergencies; who does not make the poor man conscious of his poverty, the obscure man of his obscurity, or any man of his inferiority or deformity; who is himself humbled if necessity compels him to humble another; who does not flatter wealth, cringe before power, or boast of his own possessions or achievements; who speaks with frankness but always with sincerity and sympathy; whose deed follows his word; who thinks of the rights and feelings of others rather than his own; and who appears well in any company; a man with whom honor is sacred, and virtue safe.

”

—John Walter Wayland

ABOUT THE SCHOLARSHIP

Since 1856, SAE has worked to build men of character, of principle, and of integrity. These things are just a few of the characteristics that define what every brother of Sigma Alpha Epsilon strives to be: a True Gentleman. In our never-ending endeavor to better ourselves and those around us, we are proud to offer our assistance to one incoming freshman man of Carnegie Mellon University in the form of a \$500 scholarship. This individual should demonstrate goodwill toward others, along with a sense of propriety, sincerity, and sympathy. In short, we are looking for a man who exemplifies behavior most becoming of a True Gentleman.

The True Gentleman is an integral part of Sigma Alpha Epsilon's teachings and all of its members are required to memorize and be able to recite it by heart. In it you see many of the characteristics that we strive to embody through our everyday actions. **So, please tell us how your everyday actions exemplify that of a True Gentleman.**

\$250 Athletic Achievement & Eagle Scouts

How has athletics challenged you and how has that affected your life both on and off the field?

ABOUT THE SCHOLARSHIP “These games are great for us. We need to be challenged, to be under the gun. We need to respond. It will make us strong.” —Pete Carroll

Sigma Alpha Epsilon at Carnegie Mellon has a long tradition of athletic excellence. Our brothers work hard together off of the field to ensure the success of our chapter, but much of what we've learned about teamwork has come from our cooperation on the field. We currently hold a very active membership on many Carnegie Mellon University athletic teams and have a great time bonding through intramural games and buggy as well.

Sports have a tendency to teach us lessons we can apply in life. Our brother, and University of Southern California's head football coach, Pete Carroll (Pacific University '73) shared his prophetic words (above) about how challenges make us stronger. A strong body and a strong mind are pivotal to a healthy life and we believe athletics can help us achieve both. In support of Carnegie Mellon's future athletes, we are offering a \$250 scholarship to an incoming freshman man who plans on continuing his athletic achievements into college.

How has becoming an eagle scout shaped your life and how do you plan to apply those teachings to your college career and beyond?

ABOUT THE SCHOLARSHIP “On my honor, I will do my best; To do my duty to God and my country and to obey the Scout Law; To help other people at all times; To keep myself physically strong, mentally awake, and morally straight” —Boy Scout Oath

Sigma Alpha Epsilon is proud to call many eagle scouts brothers. We have recognized that the creed of the Boy Scouts and the dedication and leadership it takes to attain the rank of eagle scout are qualities very much in line with the creed of SAE. It is with great appreciation for the eagle scouts that have gone on to become leaders in our chapter that we extend this \$250 scholarship to an incoming freshman eagle scout.
